**A number of questions have been raised by prospective Contractors. These are listed below with our response to these questions provided in blue text.**

1. Following a detailed review of the current information and volume of works required, we respectively ask for an extension of one week for a return date of Friday 18<sup>th</sup> March 2022.

This request has been fully considered and Westcountry Rivers Trust are happy to accept, **and grant an extension of one week** to Friday 18<sup>th</sup> March.

This has been granted with particular reference to the additional information supplied by Westcountry Rivers Trust with the Tender Update dated 14.02.2022.

2. We would like to request a visit to the site location.

Westcountry Rivers Trust welcomes site visits when preparing a tender response, and will arrange the necessary access permissions. A WRT operative will accompany contractors to site as specified in the Invitation To Tender.
